

**SALESIAN COLLEGE OF HIGHER EDUCATION, DIMAPUR**

**ACTION TAKEN REPORT ON FACULTY FEEDBACK**

**ON CURRICULUM (YEAR: 2021-2022) ANALYSIS**

Sl. No	Focal Point	Faculty Suggestion	Action Taken
1	The workload of the syllabus teaching	14% felt that the workload was tough	The teachers with more workloads and who find the length of the syllabus need more classes to cover up will be given extra hours of classes on Saturdays as discussed with the teachers in the meeting
2.	The syllabus contains appropriate distribution of difficulty level for the course as per provided credit score	Only 83 % felt that there were appropriate division of difficulty level for the course	After the exit survey and result analysis is conducted appropriate action can be taken
3	I am able to complete the syllabus on time	Only 82% agreed that they are able to complete the syllabus on time	The subject will be further divided among the teachers and if need arise a new teacher to be appointed
4	Reference materials and books	4 Teachers didn't agree fully that there were adequate reference materials in the library	The teachers of those subjects for which the books are not sufficient in the library will give selected names to the librarian to add new volumes to the library
