

SALESIAN COLLEGE OF HIGHER EDUCATION

ACTION TAKEN REPORT ON THE FEEDBACK ON INSTITUTION BY PARENTS: 2022

Sl. No	Focal Point	Parents Response	Action Taken
1	Institution provides multiple opportunities to grow and learn.	Only 70 % were fully satisfied with it while 30 % felt it was good	To make it mandatory from the first semester onwards to participate in the soft skill and other curricular activities. Every department would appoint one teacher incharge of each semester to follow them up
2	The institution/teachers use student centric methods	20 % expressed that improvement was needed in the use of student centric/experiential or problem solving method	Plan to install at least two more projectors to make the learning more interesting. To get more outdoor learning and more field trip and educational tours
3	The performance and behavior of students	15% of parents were not satisfied with the behavior of the students	To pint a mentor mentee record book and to follow proper mentoring system and to submit the record of it every month to the principal
