

**ACTION TAKEN REPORT ON THE FEEDBACK ON THE INSTITUTION BY
STUDENTS :2021-2022**

Sl. No	Focal Point	Students Suggestion	Action Taken
1	Cleanliness of Lavatory needs improvement	Students suggested that there should be monitoring of the cleanliness of the lavatory	Mr. Peter Kerketta the administrative supervisor checked the cleanliness of the lavatories on a daily basis when the cleaners done their job. Red ribbon club and monitored the lavatory area during short break and lunch break to monitor unwanted spitting or throwing away of waste around the toilet area
2.	Hostel facilities to be made available for the students	Students felt that college need to provide hostel facilities	College has no hostel in the campus for boys and girls. Three hostels in the close proximity agreed to give preference to the students of Salesian College of Higher Education. The details of this hostel were also displayed on the notice board
3	More seating capacity and computer facility in the library	Students expressed that the seating capacity need to be increased and more computers for online search must be provided	The management shifted the library to a larger hall and provided them with greater seating capacity, provided with 10 desktops with broadband connection. It has subscribed to N-List and got registered to NDLI club
4	More student centric learning	22 % of the respondents expressed that more student centric learning is required	Every department of SCHE organized departmental seminars, class presentations. Faculty members fused means like debate, field trip, observation method over and above what had been done earlier
5	Improvement of IT facilities	10% of the students felt that the IT facilities need maintenance and update	All the Projectors were checked and two cables which were not functional were replaced, new HDMI cables were provided and Microphones were provided in the big classrooms
