ACTION TAKEN REPORT ON THE FEEDBACK ON CURRICULUM/SYLLABUS

BY STUDENTS: 2022-2023

Sl. No	Students' Suggestion	Action Taken
2	Plan of study and/ activities to be given well in advance	The teachers to announce at least a week earlier when there is a change of time of the activities already indicated in the calendar. It must be made known through the official whatsapp group, announcement in the class and the information to be displayed on the departmental noticeboard
3	Evaluation of internal assessment to be more fare	Taking into account the dissatisfaction 8 % respondents with regard to the evaluation of internal assessment the IQAC decided that a mid-term exam could replace the many class tests which were evaluated for internal assessment. The principal or vice principal will scrutinize at random five answer sheets of every subject
5	11% not satisfied with the teaching learning process	In order to make the teaching learning process more effective the submission of lesson plan on every weekend by every teacher is mandatory
6	18% feels that college should conduct more skill development programme to make them globally competent	Principal agreed to find out the possibilities of entering into MoU with at least two organizations to add more relevant skill development programmes to the curriculum
7	10 % feels that the college needs more relevant books in the library	The concerned teachers of each subject will look for details of more relevant books for the students and will submit it to the chief librarian who will purchase them for the library within a span of two months
