

Dear staff and students of SCHE, a month-long exercise (18 May - 15 June) of end semester Nagaland University examination has just come to an end, and I believe most of you have given your best. Change and progress is the law of nature, and everyone, everything must move on. Otherwise, as the saying goes, 'if you don't progress you regress'. It must be with nostalgia the 6th Semester students are leaving the college, with memories of the past three years. We wish you all the very best.

May the good Lord bless and keep you. Batch of 2020 - 2023,
