THIS IS IT!

“Wake up to reality! Nothing ever goes as Planned in this accursed world. The longer You live, the more you realize that only Things that truly exist in this reality are Merely pain, suffering and futility. Listen, everywhere you look in this world, Wherever there is light, there will always be shadows to be found as well. As long as there is a concept of victor, the Vanquished will also exist. The selfish Intent of wanting to preserve peace Initiates war and hatred is born in order To protect love.”
