Awareness Program on "Voting Rights"

On February 28th, the Political Science Department of Salesian College of Higher Education organized an awareness program on the theme of "Voting Rights" in collaboration with the NSS Club. The event took place at the Supermarket premises at 3:00 pm, with two professors from the Political Science Department, namely Mr. Vanvungthung Kikon and Ms. Vipechalie Belho, accompanying 150 students for the event. The program was hosted by Pouchun and Kaiya from the 6th semester.

Achumi, and Ladai Pou from the 6th semester delivered empowering speeches on topics such as "General View on Voting Rights," "My Vote, My Duty," "Know Our Rights," and "Vote for Change," respectively. Additionally, 4th-semester students presented the song "We Are Unity," while 2nd-semester students performed a drama on "Voting Rights." Nancy from the 6th semester and Maria Goretti Beck from the 4th semester presented special numbers. The primary objective of the program was to raise awareness among people about the significance of exercising their universal adult franchise, especially with the upcoming general election in our country. It was a rewarding experience for the students, who had the opportunity to educate others about their right to exercise their freedom of choice. The program concluded around 4:20 pm.
