#### **Discussion and Resolution 1**

The affiliating university has initiated the process of **implementation of FYUGP** for all the colleges of Nagaland. The IQAC decided to offer to the students interdisciplinary programme. It also decided that the second year students also will follow FYUGP as university offers option to change from CBCS to FYUGP if the college desires it for the good of the students.

#### **Discussion and Resolution 2**

IQAC felt the need to take the faculty members for an exposure and training to further prepare for further the Accreditation work and to make them more confident and competent. Don Bosco College Itanagar (Arunachal Pradesh) accredited with A Grade was chosen as a better option. Time was tentatively fixed for the last week of Jan 2024

#### **Discussion and Resolution 3**

A **Faculty development programme** on INNOVATION IN EDUCATIONAL SYSTEM was planned to be held in the first half of 2023-2024 session. There was also a decision to include the faculty members of Bosco College of Teacher Education Dimapur for more interaction and effectiveness of the programme

#### **Discussion and Resolution 4**

It was decided the college will think about some welfare scheme for the faculty members and Non-teaching staff. Suggestions were made that the college approach the Manger of State Bank of India Dimapur and organise some awareness programme on Government welfare schemes and choose what is feasible within the first session of 2023-2024.

#### **Discussion and Resolution 5**

The IQAC members unanimously decided that the college should have a canteen before the year ends. So suggestions were made with regard to the location. The matter was further given to the administrator to discuss in the finance committee and to do the needful

#### **Discussion and Resolution 6**

There should be clear entry and exit points for the vehicles. The bare path requires either interlock or bricks pavement. a small retention wall at the back side of the college was also required. These two works were to be completed within six months
