BULLETIN

Issue 14 (July-August)

Celebrating Academic Excellence

Salesian College of Higher Education, Dimapur, proudly congratulates its outstanding students for securing top positions in the Nagaland University examinations. Their remarkable achievements reflect the values of hard work, perseverance, and academic excellence fostered by the institution.

The college applauds Edwina Wungleng (English) for securing 3rd Position with a CGPA of 9.12, Sr. Leishipem CS (English) for achieving 8th Position with a CGPA of 8.91, and Sr. Jessy Lakra (Sociology) for securing 10th Position with a CGPA of 8.58.

The Management, Principal, faculty, staff, and students extend their heartfelt congratulations to the achievers and wish them continued success in all their future endeavours. Their accomplishments bring immense pride to the college and inspire the entire academic community to strive for excellence.

Service Learning Programme attended by Faculty

Two faculty members from Salesian College of Higher Education, Dimapur, Dr. Vikholienuo Kire (Philosophy Dept.) and Miss. Khozholu Tsütso (History Dept.) participated in the Faculty Development Program (FDP) organized by Assam Don Bosco University, Sonapur, on *Service-Learning for Transformative Education* that provided a comprehensive platform for educators to explore the pedagogy of service-learning. Rooted in the Salesian ethos of holistic education and spirituality, the program emphasized the integration of academic excellence and insight with community engagement.

The sessions emphasized and highlighted the principles on introducing the theoretical foundations of service learning and discussed innovative methods to evaluate and ensure student-community learning. The FDP reimagined higher education by integrating academics and community engagement as a transformative force.

Awareness programme by ECO Club

The Eco Club of the SCHE conducted an Awareness Programme on Health and Hygiene at Rintaniemi Neighbourhood Children Home on 18 July 2026. The programme aimed to promote awareness among the children about the importance of maintaining good personal hygiene and healthy habits for overall well-being.

The session included an interactive awareness talk on topics such as personal cleanliness, handwashing, oral hygiene, proper sanitation, and healthy daily practices. To make the programme engaging and enjoyable, the Eco Club members also organised a variety of games and interactive activities that encouraged active participation from the children. The programme concluded with meaningful interactions between the students and the children, creating a cheerful and educational environment.

BOSCO Club visits Rehabilitation Centre

The Bosco Club organized a meaningful visit to Angel Home Rehabilitation Centre with 40 members in attendance, led by two coordinators. The programme was conducted in an orderly and engaging manner, combining prayer, interaction, and recreational activities.

The event was hosted by Dilpina, who guided the programme smoothly from beginning to end. The gathering began with an invocation led by Emmanuel, setting a respectful and reflective tone for the visit.

Games and interactive activities were conducted by Augustine, creating a lively atmosphere and encouraging participation among those present. These activities added joy and strengthened the spirit of fellowship during the visit.

The programme concluded with a vote of thanks delivered by Babul, who expressed gratitude to Angel Home Rehabilitation Centre, the coordinators, and all Bosco Club members for their presence and contribution.

The visit to Angel Home Rehabilitation Centre was a valuable experience for Bosco Club members. It provided an opportunity to share time, encouragement, and solidarity with the residents, while also helping students grow in empathy, social responsibility, and concern for others.

Yuva Club's Environmental Awareness and Cleanliness Drive

The Yuva Club actively participated in two meaningful activities promoting environmental awareness and campus responsibility. Fifteen club members took part in the Group Drawing Competition organized in collaboration with the NSS Unit, where participants created posters highlighting the impact of climate change and human activities on the environment. The competition was held during the morning hours, with the Yuva Tourism Club securing both the first and second positions.

On the same day, the Yuva Club organized a one-hour cleanliness drive to improve campus hygiene. Volunteers cleared the college drainage system by removing plastic waste, dry leaves, and silt, ensuring proper water flow and preventing waterlogging. The surrounding areas were also cleaned, and the collected waste was segregated into biodegradable and non-biodegradable categories before being safely disposed of in coordination with the campus sanitation staff. The activities reflected the club's commitment to environmental conservation and social responsibility.

FDP: A Journey of Empowering Educators

From 22–24 July 2026, Bosco College of Teacher Education and Salesian College of Higher Education, Dimapur, conducted a three-day Faculty Development Programme designed to strengthen the academic and professional competencies of educators.

The programme covered three key themes: Artificial Intelligence in Higher Education, Research Methodologies, and Personal & Professional Effectiveness. Participants explored the ethical use of AI in teaching, gained practical exposure to modern research tools and methodologies, and reflected on strategies for effective teaching, time management, and emotional intelligence.

The FDP successfully integrated technology, research, and personal development, equipping faculty members with valuable insights and practical skills to enhance their teaching, research, and professional growth.

New College Bus

Salesian College acquired a new bus on 24 July 2026 for the benefit and convenience of its students. The bus was blessed by Fr. Elow Samuel, the Rector, in the presence of the Principal and the members of the Salesian Community.

RED RIBBON members participate in Red Run

The Red Ribbon Club of the college participated in the District Red Run organised by the Nagaland State AIDS Control Society on 25th July, 2026.

We are proud of our two students, Medovise Kire of 5th semester and Afili Yeptho of 1st semester, who represented the college.

Graduation Day solemnly organized

The Graduation Ceremony for the Class of 2023–2026 was held on 31 July 2026 at 10:00 a.m. in the Paul Bernick Auditorium, Salesian College of Higher Education, Dimapur. The occasion celebrated the achievements of the graduating students in the presence of faculty members, parents, guests, and well-wishers. The programme was graced by Adv. Philemon Mohmai, Executive Director of Biosys Lifesciences Pvt. Ltd., as the Special Guest.

The ceremony commenced with the academic procession of the dignitaries, graduates, and faculty members, followed by the invocation led by Sr. Merina, Vice Principal. The gathering then stood together for the National Anthem.

The Principal, Fr. Dr. Paul Punii, delivered the welcome address, extending a warm welcome to the Special Guest, parents, faculty, students, and graduates. He congratulated the graduating students on their success and encouraged them to uphold the values of the institution as they step into a new phase of life.

A congratulatory segment for the 3rd and 5th Semester students was followed by a special musical performance, adding joy to the celebration.

The highlight of the programme was the Presentation of Graduates, during which students from the Departments of English, History, Philosophy, Sociology, and Political Science received their graduation certificates.

The ceremony also included the presentation of merit certificates and medals to outstanding students in recognition of their academic excellence.

The programme continued with the Topper's Address by Edwina Wungleng, a musical performance by the Novaline Band, and the Commencement Address by the Special Guest, who inspired the graduates to face future challenges with confidence and commitment. Mr. Philemon highlighted that success is a subject like any other subject taught in the college and that those who study this subject will become successful.

The ceremony concluded with the Closing Remarks by Ms. Sevievinuo Belho, the College Anthem, and refreshments for all.

The Graduation Ceremony marked a memorable milestone, celebrating the hard work, dedication, and achievements of the graduating Class of 2023–2026 and wishing them success in their future endeavours.

Job Fair 2026 Report

Salesian College of Higher Education, Dimapur, in collaboration with the AIDA–Don Bosco Job Placement Network (DB JPN) and other partner organizations, hosted the DB Job Fair 2026 on 1 August 2026. Around 70 job seekers from Nagaland and neighbouring states participated in the event, which provided opportunities to interact with recruiters from various sectors through both offline and online interviews.

Following orientation sessions and multiple rounds of interviews, 36 candidates were shortlisted for the next stage of recruitment. The programme successfully promoted youth employability, strengthened industry-academia collaboration, and offered valuable career opportunities for aspiring professionals.

Red Ribbon Club attends Agri Expo

RRC attended the Launching of the Intensified IEC campaign 3.0 on 12 August at Agri Expo. A total of 10 students and two faculty members, represented the college.

The Club members and teachers in-charge are grateful to the Principal for providing the college bus, ensuring a convenient commute to and from the event and also for the great opportunity extended to them. The students expressed the benefits they discovered through this expo.

Online FDP for the Faculty

Faculty members of the college participated in the 8-day UGC-MMTTC (University Grants Commission–Malaviya Mission Teacher Training Centre) Short-Term Programme organised by the University of Calicut from 3 to 15 August 2026. The programme provided opportunities for professional development, knowledge enhancement, and exposure to emerging approaches in higher education.
